successful managers and leaders know that despite what many believe things don't have to be bigger, faster and more complicated to succeed. In this practical guidebook for bosses, you'll learn how to incorporate good old-fashioned values and common sense to help employees achieve goals, examining how successful leaders overcome challenges will give you the knowledge you need to inspire confidence in others by being consistent, consider policies before implementing them, communicate with employees instead of harassing them, promote positive attitudes in the workplace. The guide is small enough to

carry with you and includes space throughout so you can write down what type of leader you want to be what positive attributes will improve your chances of success what negative traits are holding you back and more as you learn management strategies you'll be able to reflect back and apply what you've learned to build better relationships with employees and get them excited about achieving business goals our world today expects everything to be bigger longer faster and more complicated to be successful we often have the misguided idea that it has to be those things in order to be good nothing can be farther from the truth the problem with this is most people don't have time to jump through all the hoops that many professionals expect in order to be seen as successful it's time that we got back to some good old fashioned values when it comes to supervising other people a practical handbook for the boss is a short easy to read handbook that is small enough to carry with you and allows you to be a part of the publication by including your own ideas and successes as an administrator in other words it helps you see your own successes and builds on them hopefully it will help you be more sensitive to your employees more focused on your goals happier in your personal life and be a better boss

to my assistant from scott prince re will you marry me bachelor scott prince knows he wants a family so it's time to find a wife but for a workaholic construction company owner with no time for romance the perfect woman may just be his very loyal very pretty assistant tess miller for scott their engagement is a practical business deal with a bonus scott's proposal is exactly what tess needs to prevent another holiday season alone and then he kisses her and she realizes she's not as immune to her sexy boss as she thought but this is a business deal with no room for emotion right or can tess find a real happy ever after with her prince

talk of the town leaving her cheating fiancé at the altar made gracie wilson famous in tiny bygones kansas now the only things she can count on are her job at the fixer upper hardware store and the store's handsome owner though bygones's runaway bride has boosted patrick fogerty's business more than any sale could his feelings for gracie are more than professional but with gracie's heart in pieces he's afraid to hurt her gracie must somehow find the courage to run toward the man of her dreams the heart of main street they're rebuilding the town one step and heart at a time

greg sherman was determined to make the newest addition to the taka hanson hotel empire a resounding success then the hardworking manager met the newest addition to his team kimiko taka the boss's daughter she was gorgeous free spirited and strictly off limits when kimi decided to learn the family business from the ground up the hotel heiress didn't realize her new job came with an irresistible boss greg might have decided that business and pleasure don't mix but kimi had already made up her mind about the gift she

wanted this special holiday season a proposal from the man she loved

powerful oil tycoon elan al mansur never wanted sara daly as his new assistant her lush curves and alluring scent would only prove a distraction to what mattered most to him business but one night in the desert elan gave in to his desires seducing the woman he'd sworn never to touch four months later his secretary revealed she was carrying his baby suddenly the stern businessman discovered he didn't want sara gone at all but would she agree to her boss's demand that she become his wife

organizational behaviour as a management discipline is a fascinating subject and is becoming increasingly important as people with diverse backgrounds and cultural values have to work together effectively and efficiently this book addresses all the issues that come in to play in an organization in today's global economy it has a novel orientation and its primary aim is to let practitioners and students know the latest and best trends in organizational behaviour this book prescribes methods to manage employees and suggests that the management takes responsibility for everything that might adversely affect an employee's capacity to work creatively and intelligently irrespective of the place inside the organization or outside it the focus of the book is on holistic development of the individual peeping into the human mind it shows how organizations can tap the passions and fears of their employees to make them more creative and productive the book prescribes a democratic and inclusive management style a special feature of this book is that there is an innovative integration of chapter objectives and summaries leading to analysis through caselets every point in the objectives has corresponding text and is supplemented by a case going through this book will be a personally fulfilling experience and maybe it succeeds to make the readers better human beings better teachers better friends and may be even better managers
